### *Seymour’s Summer Cocktail*

Every summer our taste in beverages changes a little. Last year it was the Maple Mojito (see our recipe archive on website). This year Seymour has been buying lots of oranges and limes and has created this refreshing drink perfect for quenching one's thirst after a long hard day making handbags at GreatBags/Maple Leather Co.

We hope you will try one and enjoy it. It tastes quite good without vodka too!

#### Ingredients:

1/2 orange

2 oz cranberry juice

1 shot of vodka

Seltzer

1/2 lime

sprig of mint

#### Process:

Fill tall glass with ice cubes. Squeeze orange juice, add to glass. Add Cranberry juice and vodka. Top off with seltzer and add lime juice. Garnish with a sprig of mint. Stir and enjoy!
