Janet’s Honey Mustard Dressing

My kitchen garden is just starting to produce some very nice lettuce and arugula. This salad dressing is great on these greens, on a kale salad, or anyplace you like that honey mustard flavor. It isn't hard to whip up in the blender...Enjoy!

Ingredients:

3/8 cup dijon mustard

2 Tablespoons Honey

3/8 cup Orange Juice

1/2 cup mayonnaise (healthy kind)

2/3 cup canola or olive oil

Blend all in a blender and dress up your spring salads!

Hope you like this one...
