Key West Cosmopolitan

Tart and tangy with the zip of lime, we like this pool side when it is as hot as has been this past week. It is fast and easy for us because we always have a pitcher of limeade in the refrigerator door.

Ingredients:

2 oz vodka
1 oz triple sec or cointreau
1 oz limeade (we like minute maid)
2 oz cranberry juice
slice of lime

Process:

Add liquids to cocktail shaker with ice, shake, and garnish with the lime.
